L. E. Van GORDER

Born in Pennsylvania. Studied under Wm. M. Chase, and in Paris and London. He is a member of several of the most noted art associations, an exhibitor at the Paris Salon, and the recipient of several honors and medals.

THOMAS SHREWSBURY PARKHURST

is an art enthusiast who has grown into a full-sized, up-to-the-standard member of the profession. While building up a successful business in Toledo, he was off at odd hours and during vacation days on sketching trips studying nature in her poetic moods, until his art has grown greater than his business, and he chooses we'll in turning to the former. His exhibition in his native city, Toledo, shows him to be more than a dilettante; as an artist he has arrived, and this exhibition, seen in Toledo and now in Detroit, is splendid testimony of his ability as a serious painter.

The pictures in this collection are for sale.
