# THE SOCIETY OF WESTERN ARTISTS

---

was organized in 1896 for the purpose of uniting artists in fellowship, and of combining their efforts in the advancement of art. The society is organized in chapters, representing various cities of the West, with their corresponding districts, including St. Louis, Chicago, Cincinnati, Indianapolis and Detroit. Artists of the Northwest are members of the Chicago chapter; and Southern and Southwestern artists of the St. Louis chapter. As one of the means to this end the Society gathers together, annually, a collection of representative works, chiefly done in the middle west, and exhibits the collection in various cities. The jury of selection is always composed of the Executive Board and one delegate from each chapter. During the year 1911-12 the collection will be exhibited, in turn, in Cincinnati, Detroit, Indianapolis, Chicago, Des Moines, and St. Louis.

The Corporation of the Fine Arts Building, Chicago, contributes annually the sum of \$500.00 as a prize, to be known as the "Fine Arts Building Prize," for the advancement and encouragement of art.

This prize is to be awarded at the annual exhibition of the Society of Western Artists, for the most meritorious and important exhibit made by a western artist, who is a regular or associate member of the Society, at the current exhibition.

The award will be made by a competent jury to be selected by the officers of the Corporation of the Fine Arts Building and the officers of the Society of Western Artists, jointly.

No individual may receive the prize two years in succession and not more than twice in all. The prize was awarded for the first time in the exhibition of 1906. The prize last year was awarded to Mr. L. H. Meakin, of Cincinnati.
